## Cherish Hydrating Mist

Cherish Hydrating Mist provides a soothing refreshing mist to the face. Our product has been designed to provide easy application of our gentle and caring formulation.

### **Cucumber Extract**

- Superfood for skin, containing protein, vitamin C and variety of minerals
- Extremely gentle on sensitive or fragile skin
- Effectively hydrates, moisturises and refreshes skin
- Natural anti-inflammatory properties for any skin outbreaks

### **Aloe Vera**

- Soothing
- Reduces skin inflammation
- Aids healing of skin irritations
- Natural antioxidant properties

### **Chamomile Extract**

- An essential ingredient for your skin care routine, great for all skin types as it increases skin repair, has skin purifying and inflammation healing properties
- Helps fight and block out irritants which can damage your skin and accelerate the aging process
- Hypo allergenic to minimise skin irritation
- Promotes a healthy glow to the skin as it restores its natural moisture content
- Natural antioxidant, anti-inflammatory and anti-bacterial properties
- Tonic for sensitive and irritated skin

### **Glycerin**

- Enriched for accelerating the healing process
- Effectively hydrates and moisturises skin keeping it soft and supple
- Anti-irritant
- Promotes skin's natural repair function
